# FAQ

- **Do I have to be a member to play or have an event?**

- Nope! All are welcome, all of the time!

- **Do I need to bring my own clubs?**

- We have a rental set for \$10 and some well loved assorted clubs that can be used for free, but we recommend bringing your own set.

- **What kind of game play is available?**

- For groups, there are over 100 courses to play along with some chipping challenges for friendly competition. For individuals, the course play still works but there are also capabilities to record your swing and save your statistics in the driving range software!

- **Do you serve food and drinks?**

- Our lounge has cans of beer and wine along with some high-quality liquors for straight pours. Cocktails and finger foods can be ordered and walked over through the hallway to Another Round. For food with venue rentals, outside catering is allowed or we can coordinate an order with our partner, [Sylvan Avenue Tavern](#), for free delivery and setup.

- **Are there any A/V capabilities?**

- Yes, both of the bays can display presentations or any visuals along with the TV at the bar!
